THE FIRST STEP

Editorial . . Central Bulletin, Cleveland, Ohio 1942

The First Step

When we became members of A. A., we admitted that we were powerless over alcohol and that our lives had become unmanageable. This was the most important step in our getting dry. We had to admit to ourselves that we were alcoholics. We had to recognize that all our efforts to control our use of alcohol had failed. We had to recognize that our periodic spells of not drinking had not given us the ability to control the use of alcohol. We had to recognize that we could make our lives manageable only when we had given up alcohol entirely. Habits are tricky. They are the result of years of doing something under certain conditions. They have associations that we often are not aware of, which tend to lead us back to the path of that habit despite our efforts. The Devil within us is the prompting of our nerves, which leads us either to act without thinking or to think up excuses for denying the lessons we have learned. The single act of confession that made us dry is not enough to keep us dry. The Devil within us prompts us anew in many mysterious ways. The habit that prompts us is an unconscious body yearning, which calls now and then for that "one little drink" that will line up the tracks for twenty drinks and a blackout. To stay dry we have to continue to recognize that we are powerless over alcohol. We have to recognize that we can escape alcoholism only by not drinking. There have been enough of us in the seven and a half years of AA, who have been tempted to believe that through A.A. one could regain control over alcohol. The experiences of those thus tempted have been tragic. Some men have had difficulty at the start, because they never really admitted that they were powerless over alcohol. They had a mental reservation. They kept debating with themselves and finally reached the wrong answer. But some men get into difficulty long after they think that their troubles are over. They work hard. They pray. They attend meetings and work with new candidates. But the Devil of old habit, sleeping in the nerve cells, sneaks up on them and begins to whisper that they have themselves under control and it would be all right to take a drink now and then. When a man begins to tell himself "I know I can take a drink right now and nothing will happen," his old habits and body yearnings are

prompting him to think dangerous thoughts. That is the seed of disaster. Call the roll of those you know who have had to have this bitter experience of learning all over again that they were powerless over alcohol. Strange, too, how some members sometimes get the notion that because they have gone off to another city that the rules no longer apply. They couldn't

drink in Cleveland, but they think it would be all right in New York or Chicago or Detroit or Akron! Of course we are just as powerless away from home as at home. Devil habit may prompt us to a forget that first lesson, and may whisper in our ear that "no one will know!" Well, call the roll, here, too. Wherever we are and regardless of the passage of time, we are alcoholics. We are powerless over alcohol. We cannot use alcohol and successfully manage our lives. We learned that painfully. But our whiskey-hungry nerve cells have sly ways of working on the mind. If we yield, disaster awaits us. That first step is important always: at the beginning, after the passage of time, at home and away from home. We are powerless over alcohol.

BIG BOOK WISDOM FOR THE HOLIDAYS.....

In our belief any scheme of combating alcoholism which proposes to shield the sick man from temptation is doomed to failure. If the alcoholic tries to shield himself he may succeed for a time, but he usually winds up with a bigger explosion than ever. We have tried these methods. These attempts to do the impossible have always failed. So our rule is not to avoid a place where there is drinking, *if we have a legitimate reason for being there.* That includes bars, nightclubs, dances, receptions, weddings, even plain ordinary whoopee parties. To a person who has had experience with an alcoholic, this may seem like tempting Providence, but it isn't. You will note that we made an important qualification. Therefore, ask yourself on each occasion, "**Have I any good social, business, or personal reason for going to this place?** Or am I expecting to steal a little vicarious pleasure from the atmosphere of such places?" If you answer these questions satisfactorily, you need have no apprehension. Go or stay away, whichever seems best. But be sure you are on solid spiritual ground before you start and that your motive in going is thoroughly good. Do not think of what you will get out of the occasion. Think of what you can bring to it. But if you are shaky, you had better work with another alcoholic instead! Why sit with a long face in places where there is drinking, sighing about the good old days. If it is a happy occasion, try to increase the pleasure of those there; if a business occasion, go and attend to your business enthusiastically. If you are with a person who wants to eat in a bar, by all means go along. Let your friends know they are not to change their habits on your account. At a proper time and place explain to all your friends why alcohol disagrees with you. If you do this thoroughly, few people will ask you to drink. While you were drinking, you were withdrawing from life little by little. Now you are getting back into the social life of this world. Don't start to withdraw again just because your friends drink liquor. Your job now is to be at the place where you may be of maximum helpfulness to others, so never hesitate to go anywhere if you can be helpful. You should not hesitate to visit the most sordid spot on earth on such an errand. Keep on the firing line of life with these motives and God will keep you unharmed.

**TBAIC - District 2 - Hillsborough & East Pasco Counties
 (877) AATAMPA or (877) 228-2672!**

Hello everybody! My name is Tom F. and I am an alcoholic. Normally this spot talks about the activities at the various institutions we support but our normal meeting on November 20th was quite transitional. So let's discuss the changes to the makeup of this committee.

It is with some sadness our secretary Lindsay T. has decided to step down from this service obligation. Lindsay has been serving on this committee in a number of different roles for the past six years and we will certainly miss her. We are fortunate that John O. has decided to step up and take over her role as secretary

Brian B our juvenile coordinator has decided to rotate out of that position to take over the treasurer's role from Mark L. We are excited to have Brian take on this role and we also know that Mark is greatly relieved to step down from this role. He has had an extended tour of duty and we will miss his unique way of wording the financial statements. One day he will give us a definition of what a "butt load" is.

John S. a volunteer who has been bringing the Wednesday and now Monday mandatory men's meeting at Falkenberg Road Jail has stepped into the role of juvenile coordinator. John brings a great deal of enthusiasm to all that he does and we know he will do very well with this new role.

Cathleen C. also announced that she will be stepping down as the East Pasco women's jail coordinator. She does have someone willing to take over her. We will miss Cathleen as she has done an outstanding job in her role but we are also confident that her replacement will be up to the task.

2011 12 STEP SIGN UP SHEET

What if I needed a meeting and there was none? What if there was no Central Office to call to and ask for help?

There are hundreds, probably thousands of active alcoholics in our area. Many may never think they need our help or even want our help. But, just like you and I, there will be a few who desperately want and need our help. Many may reach for but not find the hand of A.A. We need to be there to help them when they are ready. Are **you** ready to help?

Will **you** help?

Put a check mark at the lines you are Willing to Help with.

1. ___ Yes, if someone calls for help, whether they are still drinking or not, I and some of my AA friends will go to their home to Twelve Step them. Call me anytime. I am ready.
2. ___ Yes, if someone calls and they need a ride to an AA meeting, I am more than happy to help get them to an AA meeting and introduce them to other sober members of Alcoholics Anonymous. Call me anytime, I am ready.
3. ___ Yes, I am more suited for Telephone work. If you have someone who just needs to hear a friendly voice, I will be more than happy to call them back and talk with them about Alcoholics Anonymous. Call me anytime, I am ready.
4. ___ Yes, if someone calls and they need a ride to Detox, I am more than happy to help get them there. Call me anytime, I am ready.
5. ___ Yes, if someone needs a Twelve Step in a Hospital, I am the one you want to call. Call me anytime, I am ready.

Adapted from another Central Office-Unknown

"Put yourself in the other person's shoes", is a good rule to follow whenever you receive a Twelfth Step call. Remember that only complete and utter despair and desperation drives a "candidate" to that final act of surrender—a call to the A.A. Central Office. It's a cry for help from a sick, frightened human being who has run out of hiding places. How quickly anyone of us responds to this cry could be a matter of life or death. If this sounds over dramatized, it's only to impress on each and everyone of us the urgency of fulfilling our own obligation and responsibility in carrying the message of sobriety and hope to the alcoholic who still suffers. The whole purpose (besides keeping us sober) when making a Twelfth Step call, is to acquaint the "candidate" with the program of Alcoholics Anonymous. By your own example and by what you say, you can instill the hope that he or she can learn how to get along without drinking and that we have found a way to stay sober.

"And one more thing; none of us would be here today if somebody hadn't taken time to explain things to us, to give us a little pat on the back, to take us to a meeting or two, to have done numerous little kind and thoughtful acts in our behalf. So let us never get the degree of smug complacency so that we're not willing to extend or attempt to, that help which has been so beneficial to us, to our less fortunate brothers. Dr. Bob's Last Message....."

Cathy opened the meeting in the usual matter with the Serenity Prayer and asked everyone to turn down their cell phones. Hud read the October Minutes. There was no discussion, a motion to accept the minutes was made. The motion was seconded and all were in favor. Stan presented the Treasurer's Report. Looked like a good month and expenses look like they are in line with what was budgeted. Still had some questions for some line items on the Current Year-Previous Year report. There was brief discussion about the newsletter subscriptions, a motion to accept the Treasurer's Report was made. The motion was seconded and all were in favor. In Old Business Tim announced the time and date of the Physical Inventory...January 8th, 2011. Discussion moved to the Anniversary Dinner in February. Tim had some quotes for a chicken dinner. Willow brought up the question about what the vegetarians would have to eat. Discussion followed about maybe having part chicken and part vegetarian lasagna. More discussion about cakes. Tim is to get some more quotes concerning the chicken and something for the vegetarians. A motion was made for Tim to get a price on the Lasagna Dinner, the Chicken Dinner and part Lasagna, part Chicken Dinner. Motion was seconded and the motion passed. Discussion followed concerning the price of the tickets for the dinner. Motion was made to have the Anniversary Dinner tickets to be \$10.00. Motion was seconded and the motion passed. In New Business discussion was about letting other non-Board members sit in during the Board meeting. Brief discussion followed. The decision by the Body was that they were not opposed to it. Tim asked for permission to switch the phone lines over from Verizon to Bright House. He noted that they should be able to see a \$100.00 per month savings. A motion was made to switch Telephone providers. Motion was seconded and the motion passed. Buddy H. was present to ask for money to finalize the process for securing the Softball Field for the Softball Tournament sometime in March or April. After some discussion a motion was made to pre-approve a cap of \$400.00 per event for the Softball Tournaments of which there will be three Tournaments in the year 2011. Motion was seconded and the motion passed. The Council Meeting ran along the same lines as the Board Meeting. We were able to welcome five new Council Members...Terry from the Primary Purpose Group, Ann from the Sober @ 7 Group, Jason and Luke from the Keep it Simple Men's Group and John from the Sincerity Group. A question about the availability of the Anniversary tickets came up. Tim stated that he could have them

ready in a few days....but it all depends on what type of Dinner and who the Speaker is...which neither have been confirmed at this time. Another question came up concerning 12 Step calls and why they were not getting any out in their area. Tim explained that many times it may just be that no one has called for help in that area for a while. Plus people move, change their phone numbers—etc. There will be a sheet going out for people to sign up to get on the 12 Step List very soon. If you think you are on the List and haven't gotten any calls for awhile. Make sure you sign up again. It was noted that the Sunshine Group had made a generous contribution of \$154.00 from their Halloween Party that they had hosted. Thank You! It was also noted that the **TAMPA BAY YOUNG PEOPLE'S GROUP** had once again established dominance over the other group's in our Central Office Softball Tournament held in October and again won the "Title". Tim promised to get a trophy made one of these days.
