## STEP 10

This thought brings us to *Step Ten*, which suggests we continue to take personal inventory and continue to set right any new mistakes as we go along. We vigorously commenced this way of living as we cleaned up the past. We have entered the world of the Spirit. Our next function is to grow in understanding and effectiveness. This is not an overnight matter. It should continue for our lifetime. Continue to watch for selfishness, dishonesty, resentment, and fear. When these crop up, we ask God at once to remove them. We discuss them with someone immediately and make amends quickly if we have harmed anyone. Then we resolutely turn our thoughts to someone we can help. Love and tolerance of others is our code.

And we have ceased fighting anything or anyone - even alcohol. For by this time sanity will have returned. We will seldom be interested in liquor. If tempted, we recoil from it as from a hot flame. We react sanely and normally, and we will find that this has happened automatically. We will see that our new attitude toward liquor has been given us without any thought or effort on our part. It just comes! That is the miracle of it. We are not fighting it, neither are we avoiding temptation. We feel as though we had been placed in a position of neutrality - safe and protected. We have not even sworn off. Instead, the problem has been removed. It does not exist for us. We are neither cocky nor are we afraid. That is our experience. That is how we react so long as we keep in fit spiritual condition.

It is easy to let up on the spiritual program of action and rest on our laurels. We are headed for trouble if we do, for alcohol is a subtle foe. We are not cured of alcoholism. What we really have is a daily reprieve contingent on the maintenance of our spiritual condition. Every day is a day when we must carry the vision of God's will into all of our activities. "How can I best serve Thee - Thy will (not mine) be done." These are thoughts which must go with us constantly. We can exercise our will power along this line all we wish. It is the proper use of the will.

Much has already been said about receiving strength, inspiration, and direction from Him who has all knowledge and power. If we have carefully followed directions, we have begun to sense the flow

of His Spirit into us. To some extent we have become God-conscious. We have begun to develop this vital sixth sense. But we must go further and that means more action.

From our book.....  
**Alcoholics Anonymous**  
Reprint Permission/ AAWS

From the Central Office  
**SERVICE DESK**  
A total of 637 phone calls  
were made to the  
Central Office in  
AUGUST  
321 for info on AA,  
2 for info on Al-Anon,  
9 messages for other  
inquiries,  
4 requesting a Twelfth Step call,  
301 after Office Hours calls.  
There were 225 walk-ins visits as well.

## THE TENTH STEP

*"Continued to take personal inventory and when we were wrong promptly admitted it."* In coming into A.A. we usually will have a pretty big inventory to work on, as in Steps 4, 8, 9. But even after that, we will not be perfect. We have a long way to go. We will continue to make mistakes and will be inclined to do some more wrong thinking and wrong doing. So, at intervals, we **CONTINUE** to take inventory. Here the purpose is to check on our progress. We certainly cannot be perfect so the need for regular inventory is apparent. These inventories are **PERSONAL**. We confine the inventory to ourselves. We are the ones who need it. Never mind the other fellow. He too, is probably troubled and will have to make his own inventory. When we make these inventories, probably the best way to start is to go over, one by one, each of the Twelve Steps and try to discover just what, in these Steps, we are not following. The business man **HAS** to make a physical inventory from time to time. We have to make a personal inventory of ourselves from time to time if we want to recover from a serious illness. So much for the Inventory Steps. Now look at some of the things we would do well to cover in an inventory.

1. **Selfishness**...the common vice of all alcoholics.
2. **Egotism**...who is without some of it? Self-importance. Mr. Big.
3. **False pride**...too big to admit a fault or an error.
4. **Impatience**...the spoiled child in a grown man or women.
5. **Resentments**...an Alcoholic usually is sore at the whole world, everybody is wrong.
6. **Lack of Common Honesty**...usually fooling ourselves and trying to fool others. False pretense. Sham.
7. **Deceit**.
8. **Hate**...the outgrowth of anger and resentment.
9. **Jealousy**...just "wanting" what the other fellow worked to get.
10. **Envy**...a sure-fire cause of discontent and unhappiness.
11. **Laziness**...just plain laziness.

And so on through a long list. Conversely our inventory could show a list of virtues we very definitely lack and should go to work on to develop such as—

**Honesty, Simple Justice, Fairness, Generosity, Truthfulness, Modesty, Humility, Honest pride in work well done, Simplicity, Patience and Industry (go to work and really work).** And so on through a long list. Then consider a few major virtues. **FAITH**...If we have lost faith we must work desperately hard to get it back. Ask God to give us faith in Him, our fellow man and ourselves. **HOPE**...If we have lost hope we are dead pigeons. Only those who have been cruelly hurt and in desperate need can know the wonderful sense of security that lies in hope for better things. **TRUST**...Since our own self-sufficient conduct of our own life has failed us, we must put our trust in God, who has never failed.  
*(An Interpretation of the Twelve Steps)*

**TBAIC - District 2 - Hillsborough & East Pasco Counties  
 (877) AATAMPA or (877) 228-2672!**

Hello everybody! My name is Tom F and I am an alcoholic. Lindsay T who would normally be writing our newsletter was not able to attend our last business meeting due to the passing of her grandmother. Our thoughts and prayers go out to her and her family during this time of sorrow.

Buddy H reports all is going well at the Falkenburg Road jail. All of the meetings are covered and the biggest issue he has to deal with is getting newcomers to corrections, the opportunity to take a meeting into the jail.

Paul D could not attend but the men's Orient Road Jail meetings are being covered with no issue.

Our new Treatment coordinator, Carl C reports all is well.

Cathleen C reports all is well in the East Pasco Women's jail.

Paula L was at the meeting saying that she still needs some women volunteers to help carry the message behind the wall at the Hillsborough Correctional Institution in Riverview. She did have a volunteer Cydney P with her who needed to get her pin resolved. To that end I was able to get her the pin number she needs and she can now attend meetings at HCI. Jill J who was at the meeting said she would help cover meeting at the prison.

Curtis B reports that we had 3 successful bridges for Bridge the Gap.

Our Detox coordinator Rob T has asked to step down from this service role that he has held for the past two years. We on the committee want to thank Rob for a job well done he will be missed. We are happy to say that we a someone to take Rob's place, he is Scott D who has been bringing in a meeting to the Town and Country hospital on Wednesday evenings for the past 2 years.

Lindsay T had a person she sponsors Niki take the minutes at the meeting and Niki said that Lindsay wanted her to get involved with our committee. Niki said that Lindsay was stepping down as the Women's Falkenburg coordinator and she Niki would was willing to take over. Buddy H pointed out that Leslie Parker our Hillsborough County Jail contact wanted all of the jail coordinators to have a PV number and since, Niki had not gotten one yet, making her the coordinator would not be the best way to follow Leslie's request.

Jill J who was the HCI coordinator in the past said she does have a PV number graciously volunteered to serve as the Women's Falkenburg Road Jail coordinator until such time as Niki could be given a PV number.

Wow! In spite of losing some very good people we have come out with our lost positions filled with new people. God's loving hand is helping to guide us.

In Love & Service,  
 Tom F.

**Next Committee Meetings**  
 October 23 rd at the Tri-County Central Office (near Himes & Waters). If you need more specific directions please call Tim @ 813-933-9123. The meeting usually lasts about an hour and it is the best way to get involved with service work, in Detox/Treatment/Jail/Prison facilities. If you would like to join our committee **PLEASE COME!!!!!!!!!!!!!!!**

**Pink Can Drive**  
 Our committee is 100% self supporting and receives no funds from the traditional pie charts or District 2 in accordance with our group conscious. If your home group has not made a pink can donation recently or if you are able to send an additional donation this year ... We will put it to great use!

Our Chairperson was unable to attend the meeting so Diana H. chaired the meeting instead. We had two Board members rotating out, Diana H., and Janie M. Last month we had Rick D. rotate out. We will miss their experience, strength and hope. However, we were fortunate to have three new Board members come in this month. Vicky W. (Alt. Board) from the Tampa Palms Big Book Group, Hud R. from the Keep it Simple/Pass it On Group and Chris R. from the It's in the Book Group. More letters will be going out soon inviting selected groups to send in a representative to serve on the Board. We had a very excellent turn-out of enthusiastic and dedicated Central Office Reps. Although both meetings were over very quickly, just not much business to discuss, you can tell from all the events being put on to benefit Central Office this month and next month that their time and energy has been put to good use. I just want to thank all of the Board Members and Central Office Reps for their dedication in making sure Central Office continues to serve the Hillsborough and East Pasco County groups. And don't let me forget all of the groups and individuals who contribute to Central Office on a regular basis, whether it's once a month or once a year, Thank You for helping us to be able to help the still suffering alcoholic inside and outside the AA rooms. I know, I know, it's getting kind of mushy but it doesn't hurt to say Thank You once in awhile.....so **Thanks!!!!** tws, Office Manager

Humility, is simply, the virtue of being ourselves and realizing how small we are in a big world full of it's own trouble. Drop all pretense. We must not be Mr. Big Shot-bragging, boasting. Shed false pride. Tell the simple, plain, unvarnished truth. Act, walk, talk simply. See the little bit of good that exists in an evil man. Forget the little bit of evil that exists in the good man. We must not look down on the very lowest of God's creatures or man's mistakes. Think clearly, honestly, fairly, generously.

*Central Office provides a number of services acting as a clearing house for the convenience of members and groups, provides phone service for twelfth step calls and other inquires, helps with the coordination of group activities and keeps track of meeting times and changes and the printing of the schedules. Our drinking had weakened our character and let us drift into all kinds of wrong action, wrong attitudes, wrong viewpoints. In either event we obviously needed an inventory and the only kind of inventory to make is a GOOD one. Moreover, the job is up to us. We created or We let develop all the anti-social actions that got us in wrong. So we have got to work it out. We must make a list of our faults and then We must do something about it.
