## DR. BOB

*"Simplicity, devotion, steadfastness, and loyalty; these were the hallmarks of Dr. Bob's character which he has well implanted in so many of us." - Bill Wilson.*

ROBERT HOLBROOK SMITH, M.D.  
1879-1950

Dr. Bob was born August 8, 1879, in St. Johnsbury, Vt., the only son of Judge and Mrs. W.P. Smith, who were prominent in civic and social activities of that city. Though often rebellious against the strict authority of his parents, "Rob," as his schoolmates called him, was willing to work hard to attain whatever he sincerely wanted; by the time he was nine, he knew he wanted to be a physician. In his teens, he spent parts of his summers working on a Vermont farm and in an Adirondack summer hotel. Despite his dislike of school, he was a good student and graduated from St. Johnsbury Academy in 1898. He spent four years at Dartmouth College, graduating in 1902. It was during these school years that drinking became a major activity, though in those days he was never involved in serious trouble because of it. Three years later, having worked at various jobs in Boston and Montreal, he entered the University of Michigan as a premed student. Here, the pace of his drinking accelerated, and in his sophomore year he left school temporarily, feeling he couldn't complete his course. But he returned, took his exams, and passed them. In 1910, after further training at Rush Memorial College in Chicago, he received his medical degree and secured an internship in City Hospital, Akron, Ohio. Completing his internship in 1912, he opened an office in the Second National Bank Building in Akron, remaining there until his retirement in 1948. In 1915, he married Anne Ripley, whom he had met while attending St. Johnsbury Academy. As time went on, his alcoholism progressed steadily, yet he was able to function, and few of his colleagues knew how serious his illness was. Besides being an

active member of the City Hospital staff in Akron, he often visited St. Thomas Hospital, also in Akron, where, in 1928, he met Sister Ignatia for the first time. Later, in 1934, he became associated with St. Thomas and in 1943, became a member of the active staff. In the early thirties, Dr. Bob, in desperate

## The Benefits of Rotation & Leadership in AA

As individuals rotate out of service positions in Intergroup, or in their Home Group, they might want to consider what Loren B, the Panel 51 Delegate from Montana, said about rotation at the 52nd General Service Conference in April 2002. She said that "the benefits of rotation are very real and practical. The benefits to the individual are beyond our imagination because we know that anything God has in store for us will be better than anything we could have planned for ourselves . . . We can't move forward if we are still clinging on to our present conditions . . . In effect we are saying to our Higher Power that we have finished the job laid out for us and are ready for what He wants us to do next." And, from the pamphlet, "The AA Group – Where It All Began," it states that "rotation helps to bring us spiritual rewards far more enduring than any fame. With no A.A. "status" at stake, we needn't compete for titles or praise – we have complete freedom to serve as we are needed. (Reprinted with permission from A.A. World Services, Inc.)" Are there leaders in AA? Do we actually have leadership in AA? Bill Wilson said we do in a 1959 article in the April Grapevine reprinted in The Language of the Heart, pages 287 – 292. Extracts from this article are printed below. "No society can function well without able leadership in all its levels, and AA can be no exception. It must be said, though, that we AAs sometimes cherish the thought that we can do without any leadership at all. We are apt to warp the traditional idea of 'principles before personalities' around to such a point that there would be no 'personality' in leadership whatever . . . Somewhere in our literature there is a statement to this effect: 'Our leaders do not drive by mandate, they lead by example.' In effect we are saying 'act for us, but don't boss us.' "A leader in AA service is therefore a man (or a woman) who can personally put principles, plans, and policies into such dedicated and effective action that the rest of us want to back him up and help him with his job. When a leader power-drives us badly, we rebel; but when he too meekly becomes an order-taker and he exercises no judgment of his own – well, he really isn't a leader at all. "Good leadership originates plans, policies, and ideas for the improvement of our Fellowship and its services. But in new and important matters, it will nevertheless consult widely before taking decisions and actions. Good leadership will also remember that a fine plan or idea can come from anybody, anywhere . . . Good leadership never passes the buck. Once assured that it has, or can obtain, sufficient backing, it freely takes decisions and puts them into action forthwith, provided of course that such actions be within the framework of its defined authority and responsibility. . . "He recognizes that even large majorities, when badly disturbed or uninformed, can, once in a while, be dead wrong. When such an occasional situation arises, and something very vital is at stake, it is always the duty of leadership, even when in a small minority,

 (877) AATAMPA or (877) 228-2672!**

Hello everybody! My name is Lindsay and I am an alcoholic. Thank you for the thoughts last month after the passing of my great grandmother.

Buddy H. was unable to attend but reports that in Sarasota there is an entire pod devoted to improvement. The inmates participate in classes and recovery. This program is coordinated between Salvation Army and the institutions committee.

Brian reports that some juvenile detox chairs recently stepped down but all meetings are covered. There are no requirements to attend meetings. There is an opening for juvenile detox coordinator.

Jill J. reports that the Sunday morning meeting at FRJ is back up and running.

Chris reports that all is going well in the Zephyrhills prison. Please remove Tom D's contact and contact Chris for any information.

Cathleen C. reports all is well in Pasco County Jails and will be stepping down as of the first. If you are interested, please contact Central Office.

Scott D was unable to attend but reports all the detox meetings are covered.

Eileen H sent a very moving e-mail concerning her current health issues. She said she didn't want to take a meeting into the women at Hillsborough Correctional Institution but did anyway. She had met an inmate who had served over 28 years and who turned her life around while on the inside and was due to be released in a few weeks. Eileen went on to say she was inspired by this women's triumph of spirit and felt it gave her new perspective on dealing with her own health issues.

to take a stand against the storm – using its every ability of authority and persuasion to effect a change. . . “Leadership is often called upon to face heavy and sometimes long continued criticism. This is an acid test. There are always the constructive critics, our friends indeed . . . Then we have those who we like to call our ‘destructive’ critics. They power-drive, they are ‘politickers,’ they make accusations. Maybe they are violent, malicious. They pitch gobs of rumors, gossip, and general scuttlebutt to gain their ends – all for the good of AA, of course! Well, in AA at least, we have at last learned that these folks, who may be a trifle sicker than the rest of us, need not be really destructive at all, depending entirely on how we relate ourselves to them. . . “This discussion on leadership may look, at first glance, like an attempt to stake out a specially privileged and superior type of AA member. But this is not really so. We are simply recognizing that our talents vary greatly. The conductor of an orchestra is not necessarily good at finance or foresight. . . we only declare that we ought to select that leadership on the basis of obtaining the best talent we can find . . . in the spot where it will do us the most good. “Thank God that Alcoholics Anonymous is blessed with so much leadership in each and all of it’s great affairs.

search for an answer to his problem, began to attend meetings of the Oxford Group, feeling he could benefit from its philosophy and other spiritual teachings. Though he continued to drink, he maintained his activity in the group, due in large part to Anne's deep interest. In May 1935, a meeting with another alcoholic, Bill Wilson, led to his own permanent sobriety and to the formation of the Fellowship of Alcoholics Anonymous. It is estimated that Dr. Bob, with the help of Sister Ignatia, guided some 5,000 fellow alcoholics to recovery during his 15 years of loving ministry to them. What manner of man was Dr. Bob? According to his son: "He had tremendous drive, great physical stamina. He was reserved and formal on first acquaintance, but as you came to know him, he was just the opposite: friendly, generous, full of fun - he loved a good joke. Regarding A.A., he tried to make every decision in the best interests of the group, to the exclusion of any personal advantage. He never ceased to be surprised that so many people sought him out, but felt he had only been God's agent and so was not due any personal credit." Bob and Anne lived simply; if he had any pride of possession, it was for cars. He played bridge expertly, always playing to win! An avid reader, he read for at least an hour each night of his adult life, "drunk or sober." He was a fight fan, succumbing finally to television so he could watch the fights. He held three concepts in particularly high regard. One was simplicity - in his own lifestyle and in practicing the A.A. way of life. Second, he believed in tolerance of other people's ideas, in speaking out "with kindness and consideration for others," and in "guarding that erring member, the tongue." Third, he believed that one's job in A.A. was to "get sober and stay sober" and "never to be so complacent that we're not willing to extend that help to our less fortunate brothers." Dr. Bob firmly believed that "love and service" are the cornerstones of Alcoholics Anonymous. He died of cancer at City Hospital, Akron, November 16,1950.

October 10th, 2010 the Board of Directors for Central Office met:

Cathy opened the meeting with a moment of silence followed by the Serenity Prayer. She then asked everyone to turn down their cell phones. Jim M. from the Tampa Palms Big Book Group was introduced to everyone as our newest Board Member. Everyone then introduced their self's to each other. Chris read the September Minutes. There was no discussion and the report was approved. Stan presented the Treasurer's report. Tim was asked if the contributions got higher in November, Stan was hoping we would break even by the first of the year. Stan had some questions concerning a few line items which Tim couldn't really answer stating that he would get with the accountant to help him to be able to explain them. Discussion came up about why a Balance sheet wasn't made available. A motion was made to include a monthly balance sheet in the minutes for the Board members. Motion was seconded and approved. Old Business was discussion about why the Contributions were shown in the back of the Newsletter. After several people shared a motion was made to continue to show the Contributions in the back of the Newsletter. This motion was seconded and all present approved it. In New Business, Cathy had prepared a spreadsheet to break down the different items and responsibilities that would need to be filled for the Anniversary Dinner in February. Cathy will get with Diana to see who's names for volunteers she had gotten and once she has complied the list will email it to Tim who will then email it to all the Board and Council members, so they can discuss it at their groups. Discussion about who to get as a speaker came up. It was decided that we should get someone who had some time in the Program and was familiar with the Big Book and the Steps. No names at this time. It was decided that we would not do a certain type of raffle one of our past Board members had wanted to do. Tim will contact them to let them know. Discussion about whether it was okay to take food contributions from Publix was tossed around. It was decided that this would not be a good idea. Cathy wanted everyone to ask around and find someone who's first contact with AA was Central Office and was still staying sober, to be a five minute speaker at the Anniversary Dinner. The Council Meeting was somewhat of a mirror of the Board Meeting. Jim asked what the line item inventory decrease means and Stan explained that it's an adjustment made to get inventory in line. John F. bought up the fact that although Central Office may give the pamphlets to the Groups at no charge, it still cost Central Office to purchase them.

October 10th, 2010 the Central Office Representatives met:

On a show of hands to decide if we would have one speaker or two speakers, two speakers won out. Juliet asked about the requirements for a speaker and it was should be someone who had some time in the Program and was familiar with the Big Book and the Steps. Cathy mentioned about trying to decide who to get as speakers and if anyone had any ideas and Lloyd reminded her that she was the Speaker Chair and she should go ahead and make that decision herself. **THINGS WE CANNOT CHANGE**

**In Memory of June Murphy** who passed away September 25th, 2010. A long time member of Alcoholics Anonymous, she was a good woman who protected her "sponsees" and did not have a problem letting the men know that it was "hands off". I had the privilege of knowing her and as with me, I'm quite sure many others will miss her too. She made many "anonymous contributions" to Central Office and around 1996 had donated all the Grapevines she had collected since 1963 (full yearly series in Grapevine binders) to the District Two Archives. She was a gentle caring person. Her last years were spent carrying the message out at the 301 House. She passed away with 47 years of continuous sobriety.

**John Foley**

On Friday, October 28, 2010, around noon Tampa time, our youngest brother lost his brave fight with cancer. John was a truly great brother and favorite Uncle to 15 nieces and nephews. He did an awful lot for many people in a very short period of time. His great work often went unnoticed for it was the result, not the glory, which drove him. During his illness, we discovered a brother we never knew; his work in the Club was brilliant but always behind the scenes. The accolades he has received are a tremendous painkiller to the sadness we feel. In lieu of flowers, donations may be made in John's name to:
