## RED CHIP DAY

**RED CHIP DAY** was held Sunday, November 7th, 2010 at the Apostles Lutheran Church in Brandon, Florida. Although I was unable to attend, I was told that it was a very good turn-out. Originally, (in the olden days) Red Chip Day was an annual celebration for all of those who had made it to a year or more of sobriety and the proceeds were sent to New York. Each year a group or groups would host this event inviting all AA members to come and Fellowship with them and enjoy a meal and a speaker. Eventually, over time as AA grew in the Hillsborough area it was decided by the hosting groups to start contributing the proceeds to the Central Office. At some point, unknown, Red Chip Day became the annual event hosted by the groups in the Brandon area. This year was no exception. Sandy B. was the speaker for the event and there was plenty of good fixin's to be shared by everyone. After all was said and done, Red Chip Day netted a total of \$368.36 to contribute to Central Office. We here at Central Office (me & the committee in my head ☺) would like to thank the following groups for banding together in true Unity and supplying the cash and the man/women power to make this a very truly happy and joyous event. Those groups are the Valrico Wednesday Night Group, the Friday Night Spiritual Growth Group, the Brandon Tuesday Big Book Group, the Thursday New Beginnings Group, the Brandon Saturday Night Group, the Valrico/Brandon Wednesday Night Group and the Sisters in Sobriety Group. If anyone else was left out, please accept my apologies but know that we are deeply grateful for all your hard work.

**Thank you all for your efforts, we are in your debt.**

By the time you get this Newsletter, the new January 2011 When & Where Meeting Schedules will be available here at the Central Office. They are still 25¢ each. I need to make my **amends** to the Saturday Candlelight Meeting in Riverview at Joe's Club. Somehow I listed your group name under the Early Risers Group. Sorry! ## TRADITION ONE

**On Tradition One "Our common welfare should come first; personal recovery depends upon A.A. unity."**

Editorial by Bill W. A.A. Grapevine, December, 1947

*"Each member of Alcoholics Anonymous is but a small part of a great whole. A.A. must continue to live or most of us will surely die. Hence our common welfare comes first. But individual welfare follows close afterward."*

Our whole A.A. program is securely founded on the principle of humility--that is to say, perspective. Which implies, among other things, that we relate ourselves rightly to God and to our fellows; that we each see ourselves as we really are--"a small part of a great whole." Seeing our fellows thus, we shall enjoy group harmony. That is why A.A. Tradition can confidently state, "Our common welfare comes first." "Does this mean," some will ask, "that in A.A. the individual doesn't count too much? Is he to be swallowed up, dominated by the group?" No, it doesn't seem to work out that way. Perhaps there is no society on earth more solicitous of personal welfare, more careful to grant the individual the greatest possible liberty of belief and action. Alcoholics Anonymous has no "musts." Few A.A. groups impose penalties on anyone for non-conformity. We do suggest, but we don't discipline. Instead, compliance or non-compliance with any principle of A.A. is a matter for the conscience of the individual; he is the judge of his own conduct. Those words of old time, "Judge not," we observe most literally. "But," some will argue, "if A.A. has no authority to govern its individual members or groups, how shall it ever be sure that the common welfare does come first? How is it possible to be governed without a government? If everyone can do as he pleases, how can you have aught but anarchy?" The answer seems to be that we A.A.s cannot really do as we please, though there is no constituted human authority to restrain us. Actually, our common welfare is protected by powerful safeguards. The moment any action seriously threatens the common welfare, group opinion mobilizes to remind us; our conscience begins to complain. If one persists, he may become so disturbed as to get drunk; alcohol gives him a beating. Group opinion shows him that he is off the beam, his own conscience tells him that he is dead wrong, and, if he goes too far, Barleycorn brings him real conviction. So it is we learn that in matters deeply affecting the group as a whole, "our common welfare comes first." Rebellion ceases and cooperation begins because it must; we have disciplined ourselves. Eventually, of course, we cooperate because we really wish to; we see that without substantial unity there can be no A.A., and that without A.A. there can be little lasting recovery for anyone. We gladly set aside personal ambitions whenever these might harm A.A. We humbly confess that we are but "a small part of a great whole." Bill W. The A.A. Grapevine, December, 1947

**TBAIC - District 2 - Hillsborough & East Pasco Counties  
 (877) AATAMPA or (877) 228-2672!**

Hello everybody! My name is Tom F. and I am an alcoholic. At this special time of year we of TBAIC would like to thank everyone in District 2 who contributed to this committee whether via the Pink Can or by attending Soberstock or Steps to Freedom or by volunteering your time to carry AA's wonderful message to those that are our committee serves. You have all made this committee's job, to carry the message to those who are not free to attend a meeting on the "outside", much easier.

Carl C reports that all Treatment Center meetings are being covered and that he is trying to get a women's meeting at 50<sup>th</sup> street DACCO.

Paul D reports all is well at the Orient Road Jail and wants to thank Chuck L and Mike for covering the meetings.

East Pasco Women's Coordinator Cathleen C reports that the inmate turnout at this facility has grown so much they have had to split the pods.

Curtis B. the Bridging the Gap Coordinator reports he has had one successful bridge this past month.

Buddy H. the Falkenberg Road Jail Coordinator reports all meetings are being covered and that the next jail orientation will be held on January 22<sup>nd</sup>.

John S reports that all of the Juvenile meetings are being covered.

We had our elections for Chair and Alternate Chair at this meeting and Buddy H, who stood unopposed, is our new chair person. Buddy has been doing yeomen's work on this committee since he has begun and we have every confidence he will be terrific in his new role as chair person.

John S was nominated by Dick D to be the Alternate Chair and after some stunned silence John accepted the nomination and the body voted him in. John brings a great deal of enthusiasm to all that he does and we know he will be up the task of serving this committee as the Alternate Chair.

Finally I want to express my gratitude to all I have served with on this committee for the past six years. I have seen how much love and dedication we AA's, who serve in this area, bring in carrying the message to those who are unable to attend meetings on the "outside". I have also been blessed to witness the amazing transformations that have occurred in those who have taken AA's spiritual principle's to heart. Recovery is gift from God. What we do with our recoveries is our humble gift back to God. My name is Tom F. and I am an alcoholic.

Before the Board meeting, Tim announced to the group that the Board Chair has resigned due to health and personal problems. Chris S., Vice-Chair, chaired the meeting for the evening. Chris opened the meeting in the usual matter with the Serenity Prayer. Jim M. read the November minutes. There was no discussion and the minutes were accepted as read. Stan P. presented the November Treasurer's report. We had a slight loss for the month but everything looked in order. On the Year to Date/Previous Year Budget report Stan noted that Contributions appeared a little higher than last year but Literature sales were down a little compared to last year. Stan noted that he had gotten with Tim and went over some of the Line Items that he had had questions about. Discussion followed about why we were operating at a loss, what were the reasons, what could be done about it. Stan also brought up the idea of maybe posting what kind of literature and the cost of the items on the web site so those who had no idea of what's available at Central Office could have an idea. In New Business Joe B. brought up the question of did we have some kind of sub-account to show what pamphlets were being given away-etc. Lots of discussion followed. Finally a motion was made: to ask the Treasurer to investigate the best most appropriate way indicated to show cost of donated literature. Motion was seconded and approved. Willow asked about changing the name of the line item Donation to Groups to Pamphlets donated to groups. It was noted that this had already been voted on and approved at the last Board meeting. Jim asked about the Balance and the Prudent Reserve and the CD's. Tim gave a brief report as the District 2 Liaison. In the Council meeting Tim handed out new Daily Planners to all the Council members as a gift for the upcoming year and two new Central Office Reps were recognized. Laura from TBYP Group and Jamie from the Tampa Speakers Group and Wes M. from the Solutions Group. After Stan had given the Treasurer's report a question about the surplus money at the end year came up. What do you do with it? If there is any, it usually winds up in the bank. Tim when over the duties for the Anniversary Dinner with the Council. As he read each of the duties he asked if anyone had already signed up for the job or if anyone wanted to volunteer for the job. Afterwards Tim announced that the Physical Inventory was January 8th, 2011 and we would be needing volunteers to come in for about half a day to help count merchandise. Several announcements were made and the meeting ended for the year 2010.

The unique ability of each A.A. to identify himself  
with, and bring recovery to, the newcomer in no  
way depends upon his learning, his eloquence, or  
any special individual skills. The only thing that  
matters is that he is an alcoholic who has found a  
key to sobriety.
